National Day for Truth and Reconciliation - Bill C-5

On June 3, 2021, Canada's federal government received royal assent for Bill C-5. This legislation provides for the observance of a new federal statutory holiday, the National Day for Truth and Reconciliation. This statutory holiday will be observed on September 30th of each year.

While CDS will be open on September 30, 2021, CDS has been advised that the Bank of Canada and Payments Canada's systems (ACSS and LVTS/Lynx) will be closed. Consequently, CDSX Online will be operational but CAD settlement activities will be restricted.

A bulletin closer to September 30th will be issued to provide additional operational details. TMX Group will observe the National Day for Truth and Reconciliation and will provide more details in a future announcement closer to the date.

Please direct any questions or concerns to your CDS relationship manager.
